---

**TO:** CINDY GUAGENTI – MANAGING DIRECTOR  
**FROM:** IAN STERLING – VARIOUS MEDIA - EDMONTON, CANADA  
**DATE:** JULY 20, 2005

---

Edmontonians are excited that Brad Pitt will be in their city to shoot The Assassination of Jesse James. We would like to talk with Brad about his coming to Edmonton and the movie. We would send you our questions ahead of time and not deviate from them.

*This would be for the following media outlets:*

*-The Edmonton Sun Newspaper.*

*And possibly the Toronto Sun, Ottawa Sun, Winnipeg Sun & Calgary Sun.*

*- Global Television, Edmonton.*

*And possibly Global Vancouver, Hamilton / Toronto, Quebec City Calgary, Victoria, Lethbridge, Red Deere, Regina & Saskatoon.*

*- Corus Entertainment Radio, Edmonton - CISN FM, CHED AM, CKNG FM, CHQT AM*

*And possibly some or all of the 53 Corus stations, the most listened to radio company in Canada.*

I realize that we probably have a better shot at talking with the Pope, but it's worth a try.

I look forward to your response.
